

Uh! Oh! Did I Skip a Month?

The answer is “yes” of course! You probably can guess the answer based on previous newsletters. In addition, as you will see here, Bob & I were on two ten day back to back cruises in March!!! We sailed to the Caribbean where the ship stopped at several Islands. We met some great people, enjoyed seeing the islands, and had a wonderful time on the ship.

Below is our ship, the Enchanted Princess, while docked in Grenada on March 16th. It is a good picture of Princess Cruise Line’s newest ship.

ENCHANTED PRINCESS

GRENADA

The above picture gives you an idea of some of what the ship has to offer. This is the Lido Deck and is referred to as the entertainment deck under the stars!! Day and night there is always something going on. To the left, there are four hot tubs and two swimming pools. As you can see, there are lounge chairs to relax in the sun and watch a movie. Also located on the Lido Deck is the ever popular buffet!

The pictures on the top right, are of the Atrium in the center of the ship - three levels with lounges, restaurants and shops. There is always entertainment of all kinds in the Atrium and throughout the ship.

**Brian Justin Crum from ‘America’s Got Talent’
In “Rock Opera” on Princess Cruise Line**

The show, *Rock Opera*, is a truly outstanding production and Brian is the show’s lead. You can look up the show on the web and find more information and pictures. *Rock Opera* is being performed solely on the Sky Princess and the Enchanted Princess. Bob & I actually saw the inaugural performances of *Rock Opera* while on a transatlantic cruise on the Sky Princess in February of 2019 - just before covid hit!
